Proposed by: Clean Freaks

WE HAVE YEARS OF CLEANING EXPERIENCE

Whether you are an individual, business, or corporation, you need to keep your facilities looking clean and presentable at all times. From stores to high-rise apartments, data centers to restaurants, offices to warehouses, we offer professional cleaning of premises in all industries. We are prepared to clean specialized facilities like schools, medical facilities, and government buildings, as well.

All of our services follow the ISSA Clean Standards issued by the Worldwide Cleaning Industry Association. Additionally, our staff members are trained in accordance with the ISSA Training Standard, the international gold standard for janitorial services. Every employee undergoes a criminal background check before they are hired, so you know that your facilities are safe with us.

OUR SERVICES

We do our best to provide a clean, healthy environment for your employees and customers. Our services are customized and can be adjusted to include environmentally friendly and hypoallergenic products. We look forward to showing you our commitment to meeting your expectations and offering you complete satisfaction with our commercial cleaning services.

A FEW OF OUR HAPPY CLIENTS

Tom Roberts
CEO, Teddy Bears Inc.

"We've been through a few cleaning companies because they never quite get it right. They seem to always miss something. NOT the Clean Freaks. They get in every nook and cranny, it's a fantastic service."

"I think the best kind of cleaning service is one that you don't even notice happened, but you feel cleaner. That's exactly how I feel with the Clean Freaks. They come in, do their thing when we're not there, and we come back to a clean office."

Joanna Edgar
VP of Marketing, Red Box
